Dear Consumer,

If you have received an unsolicited facsimile advertisement and wish to file a complaint, please use the enclosed form, which may be copied if multiple complaints are to be filed. In order to process your complaint(s), you must mail to the Tennessee Regulatory Authority (“TRA”) **the original facsimile advertisement(s) and a separate, completely filled-out complaint form for each unsolicited facsimile advertisement.** Because Tenn. Code Ann. Section 65-4-504(a) states that “each page of each unsolicited facsimile advertisement may constitute a separate violation,” the TRA requires a separate complaint form for each unsolicited facsimile advertisement. For evidentiary purposes, it is necessary that the original fax is mailed to the TRA in order to enforce Section 65-4-502(b) of the Do Not Fax law, which requires that specific transmission data appear on all faxed documents

In order for the TRA to investigate your complaint and locate and identify the person(s) responsible for the fax being sent, please file your complaint within 60 days of receiving of the facsimile. It is extremely difficult to track and locate the person(s) responsible for sending facsimiles after 60 days have passed since the transmission. Once the TRA has received your complaint and the original documentation, we will initiate our investigation and send a Notice of Alleged Violation to the sender of the facsimile. The sender is required to provide a response to that Notice to the TRA within ten (10) business days of receipt. Upon completion of the investigation, you will receive notification from us of the outcome of the investigation.

Thank you for contacting the Do Not Fax Program of the Tennessee Regulatory Authority. If you have any questions about this process or the program itself, please feel free to contact our office by telephone at 615-741-3939 ext. 162 or 1-800-342-8359 ext. 162.
